Do you know about Social Security's Student Earned Income Exclusion where a student could earn up to \$2,040/month and have no reduction in the SSI payment unless they earn over \$8,230/year? The truth about what will happen to one's bank account when working can set your students free!

Students, family members and school staff need to know about Social Security's "Age 18 Re-Determination" where up to 1/3 of children who received SSI will no longer qualify. Want to know more? Click on the Google Drive link below!
