This form is to be completed and submitted to the OVR Counselor along with the Extended Services Plan at the time the consumer has achieved *sustained* stability on the job. Sustained stability refers to consistent successful job performance over time, with or without natural supports, but without continuing to need intensive supported employment services from the employment specialist. The timeframe for determining whether an individual has consistently performed job duties successfully will vary from individual to individual. An individual working full time might require a couple of weeks to make this determination whereas an individual working 5 to 10 hours weekly would likely require more time to make this judgment.
