How to Get Help to Pay Medical Expenses

There are programs that may help you pay part of your medical expenses. If you qualify, you may not have to pay your Medicare premiums or out-of-pocket expenses.

How Do I Know If I Qualify?

1. You must have Medicare Hospital Insurance (Part A). If you're not sure whether you have it, look on your Medicare card or call Social Security toll free, at 1-800-772-1213 to find out.

AND

2. Your income is below certain limits - look at the table below to see if you might qualify.

AND

3. Your financial resources or the things you own are below \$9,430 for an individual and \$14,130 for a couple. Financial resources are items like bank accounts, stocks, and bonds. Some things are not counted like the home you live in, one car, furniture, and some life insurance policies.
