

# Summer Leadership Experience Camp

July 6—10, 2025

The University of Kentucky Human Development Institute welcomes all Kentucky high school upper-class students (rising sophomores & juniors and current seniors) with disabilities to apply for the 2025 Summer Leadership Experience Camp. Priority is given to applicants with articulated plans to continue their education post high school leading to a career. The camp is offered both in-person (on the UK campus) and virtually. There is an on-line application.

This camp is sponsored by the KY Office of Vocational Rehabilitation (OVR). In-person applicants should be current consumers at OVR with an assigned counselor and an individual plan for employment. If the applicant is not a OVR consumer, information will be provided to start the OVR process.

The camp will be held July 6—10, 2025. The camp will include a 4-night stay in a residence hall and multiple days of interactive and interesting sessions about college and career planning. Topics include exploring post-secondary educational opportunities, financing college, navigating admissions, important resources & services, and developing skill sets needed for success. All meals, snacks, and beverages are included. The registration deadline for in-person campers AND virtual participants is April 30, 2025. There is NO cost to attend in-person camp for VR approved consumers, however, there is a registration fee of \$50 per camper. There is NO registration fee or cost to apply as a VIRTUAL camper or participant.

**Registration Deadline for all campers:**
