

HOUSING FUTURES PROJECT

Affordability - Accessibility - Usability

WHAT IS THE HOUSING FUTURES PROJECT?

The Commonwealth Council on Developmental Disabilities funded project is here to help people with intellectual and developmental disabilities live more independently through personalized housing support.

HOW DO WE MEET THIS GOAL?

Let's schedule a call to discuss your housing needs!
Together, we will make a plan to maximize use
and independence in your home.

AFFORDABILITY

Our team will help you find resources to keep housing costs affordable.

ACCESSIBILITY

We'll share options to make the home easy to get into and move around in.

USABILITY

Our customized accessibility plan will suggest ways to meet your needs.
